

Nursing the world

Never say
'Just a Nurse'

The space between
our hands
That seeks, reaches,
and supports

When considering ..

'What sort of leader do I want to be?'

The right path!

Put yourself in the shoes of those you will lead ..

Me!

.. and you won't go far wrong!

My team!

Aspire to be ...

Be bold and brave

Be a good listener

Be self confidence

Be honest with yourself

Be inspired

Be yourself

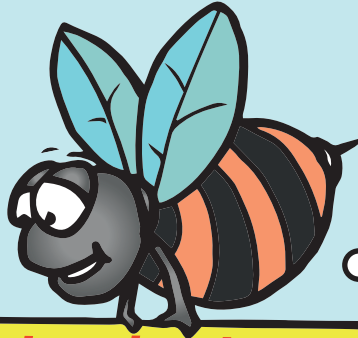

.. it's all about learning ..

Me & my values

My leadership journey

Leadership at Nursing QMU

It's about
individual flourishing!

Leadership

**Queen Margaret
University
Edinburgh**

.. and encouraging
others to do
likewise!

Me!

The leadership academy experience ..

It's about what I wanted to achieve

Encouragement and belief in YOU!

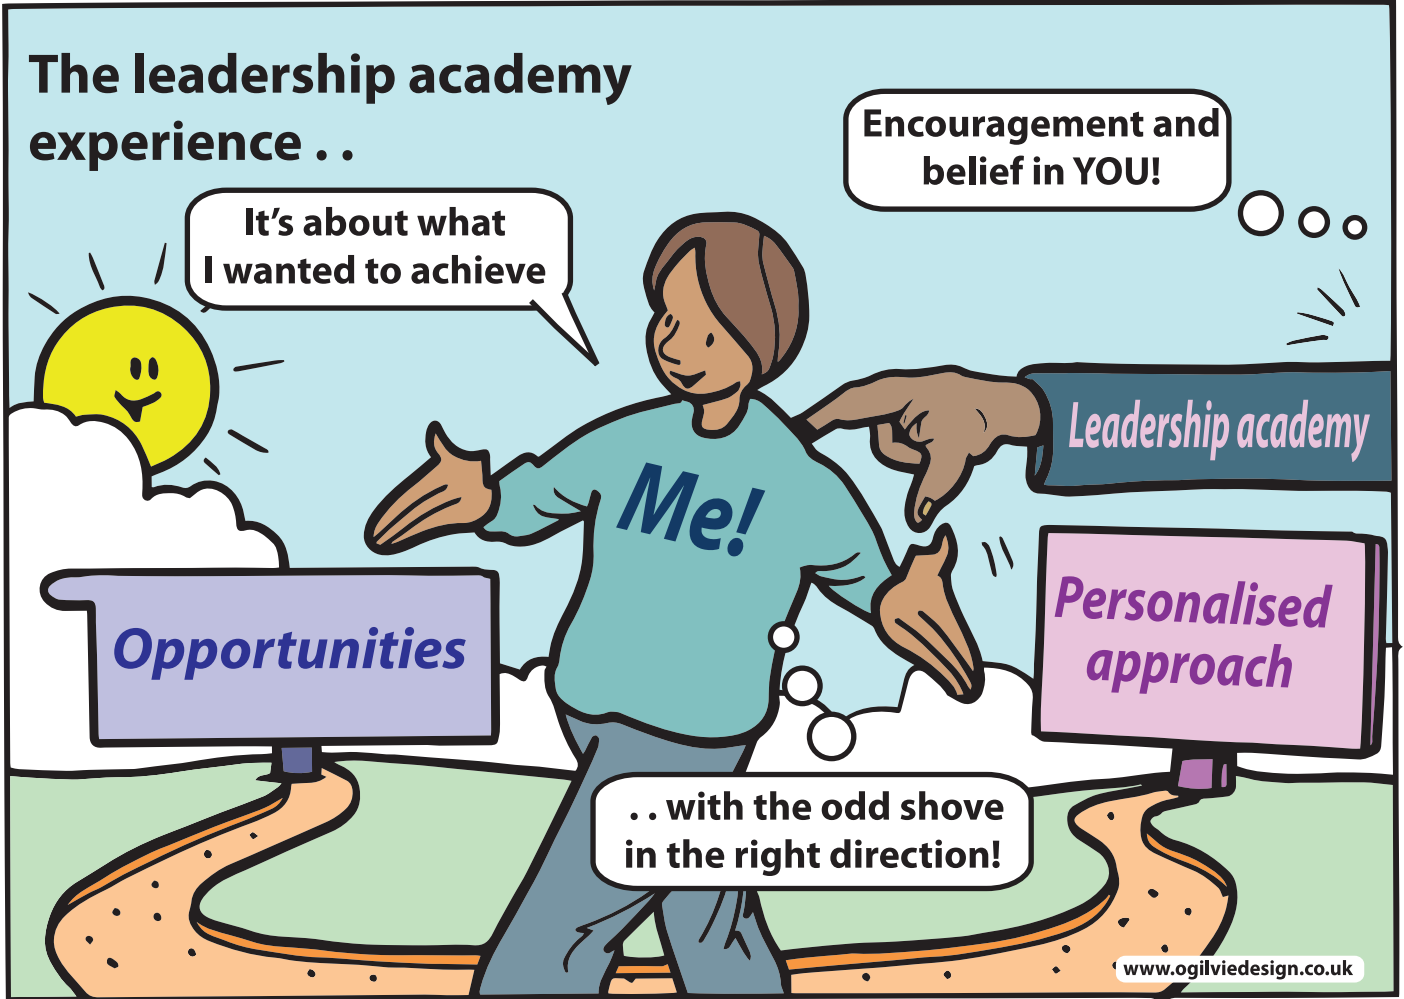

Leadership academy

Opportunities

Me!

Personalised approach

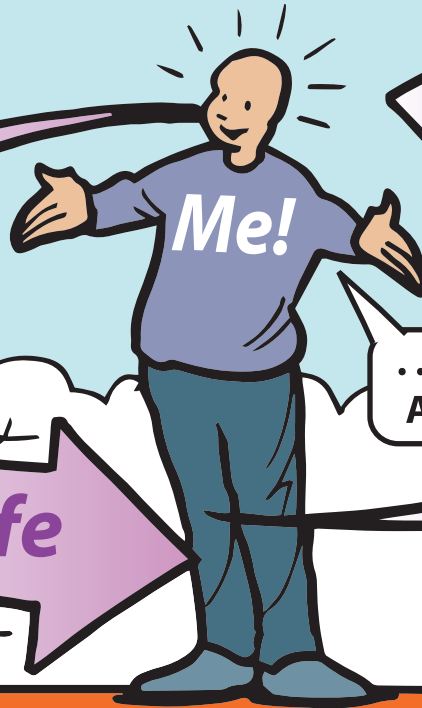

.. with the odd shove in the right direction!

Being a good leader

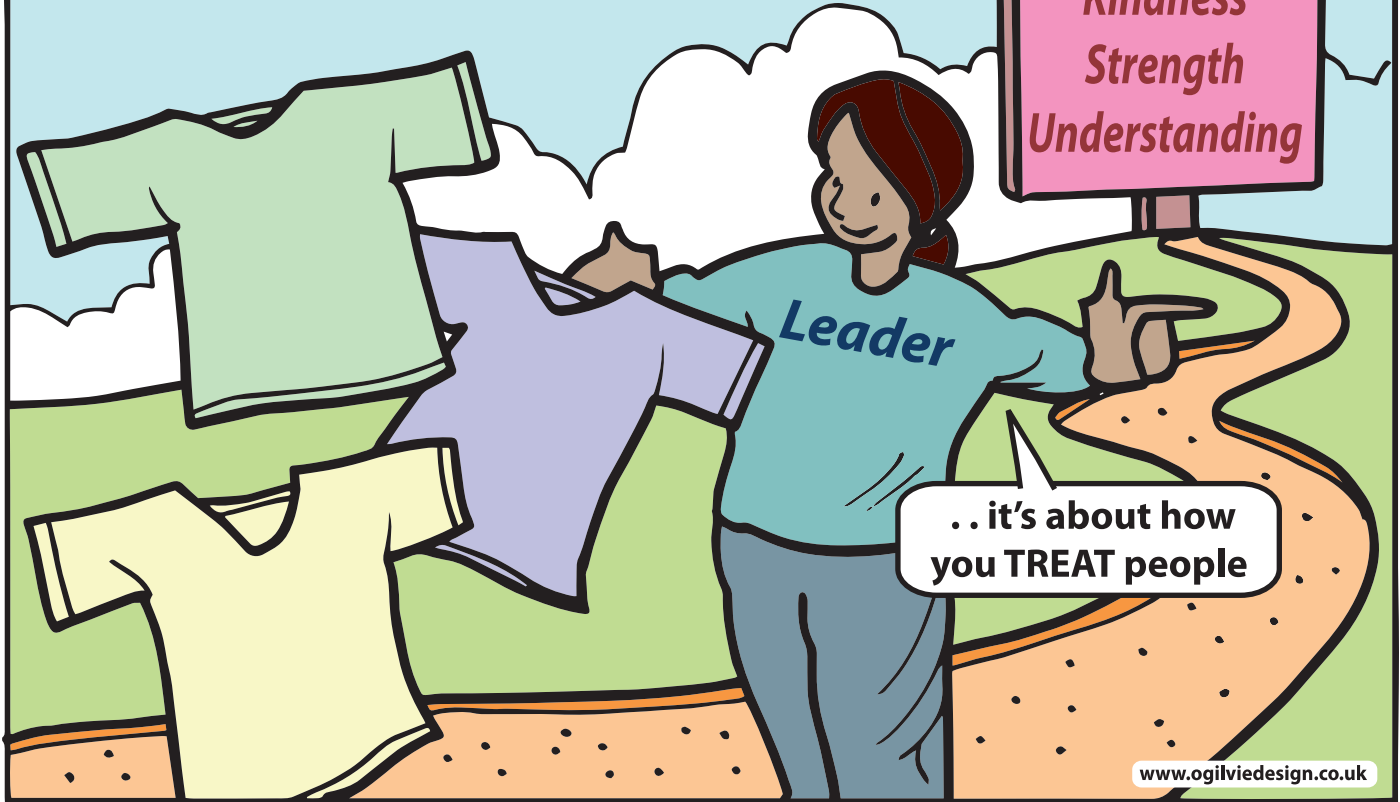

Is about taking
a **HOLISTIC** view

.. and seeing
ALL my life!

The WHOLE person

**Leadership is not about the colour of
your uniform or your station ..**

**.. it's about how
you TREAT people**
