

Queen Margaret University
EDINBURGH

Shaping a better world through education, research and innovation - enabling individuals and communities to flourish.

We are distinctive in our person-centred approach to education and teaching, and our commitment to shaping a better world. We treat our students as individuals and we aim to offer them the optimum balance of theoretical and practical learning. Renowned for immediately relevant research and innovation, we have widely recognised expertise in business, the creative industries, education, health and rehabilitation, and social sciences.
